## **NOTICE TO THE PUBLIC**

**PROJECT: BEACH ROAD & MICRO BEACH ROAD INTERSECTION  
ROUNDBOUT**

The Department of Public Works (DPW), in cooperation with the U.S. Department of Transportation, Federal Highway Administration (FHWA) is proposing to construct roundabout at the intersection of Beach Road and Micro Beach Road to improve safety and mobility.

The proposed roundabout includes upgrading roadway pavement structure, excavation, backfilling subbase and base course, concrete median, curb & gutter, apron, bricks, landscaping, asphaltic concrete pavement, dense graded anti-skid pavement, traffic signage and pavement markings.

Written comments can be submitted to Mr. Anthony A. Camacho, Director of Technical Services Division by email at [camachot74@gmail.com](mailto:camachot74@gmail.com), or [acamacho.tsd@dpw.gov.mp](mailto:acamacho.tsd@dpw.gov.mp), or call telephone number (670) 234-9828 if you have any questions.
