

**SECTION 212  
LINEAR GRADING**

- 212.03**     **ROADWAY EXCAVATION AND EMBANKMENT** – On the second paragraph change 12-inch to 10-inch, for embankment material layer prior to compaction.
- 212.04**     **GRADING TOLERANCE** – On the first paragraph first sentence, delete the phrase “on streams channels, impact wetlands”.
- 212.06**     **MEASUREMENT** – Delete and revise this subsection to read as follows:  
  
Linear grading will not be measured separately for payment.
- 212.07**     **PAYMENT** – Delete and revise this subsection to read as follows:  
  
The work covered by this section will not be measured and paid for separately, but will be considered as a subsidiary obligation of the Contractor under pay items as shown in the bid schedule.

**END OF SECTION 212**

***END OF DIVISION 200  
EARTHWORK***
