

***DIVISION 150  
PROJECT REQUIREMENTS***

**SECTION 151  
MOBILIZATION**

**151.01**      **DESCRIPTION** - Revise this subsection to read as follows:

This work consists of moving personnel, equipment, material, and incidentals to the project site and performing all works and operations necessary before beginning of the work items at the project site. Mobilization will also include the obtaining of permits, insurance, bonds, and any other required documents requested from the Contracting Officer.

**151.03**      **PAYMENT** – Add the following to this subsection:

When there is no pay item shown in the Bid Schedule, mobilization will not be paid for directly. It will be considered obligation of the Contractor for the completion of the project.

**END OF SECTION 151**
